Ann-Lawrie Aisa, having been first duly sworn, deposes and says:

I am the duly appointed, qualified and acting Clerk of the Yavapai County Board of Supervisors and in such capacity under the provisions of A.R.S. §11-241 am charged with the responsibilities, among others, of recording all proceedings of the Board and maintaining custody of such records of the Board as are required by law to be maintained. Among the records of which I have custody is the official minute book of the Board of Supervisors which under the provisions of A.R.S. §11-217 is required to be made and kept.

Set forth below is a copy of an entry in the aforesaid minute book of which, as aforesaid, I am the officer having the legal custody. This is my certificate under the provisions of Rule 44(A), Rules of Civil Procedure, and the Uniform Business Records Act, that the said copy is a true and correct copy thereof, to which I attest by my signature subscribed hereunto:

Date of meeting of which the minutes are a record: June 8, 1992

The entry in the said minutes:

The Board considered an intergovernmental agreement with the Arizona Department of Transportation for the widening of Deer Lick Bridge, Senator Highway, south of Prescott. Public Works Director Jim Wise said that this bridge would be a box culvert and was located at Schoolhouse Gulch Road. He said the road, which is very narrow, would be widened to 34 feet at an estimated cost of \$107,767, with the County contribution to be \$10,777. Chairman Camp asked what the 2% surcharge was for. Mr. Wise said it was to cover ADOT's review of the project. He said that the County could have done the project alone for a little more than its cost to participate in this joint project but that the end result of this project will be a slightly better bridge at a slightly lower cost to the County. Supervisor Brownlow moved to approve this intergovernmental agreement. Supervisor Feldmeier seconded the motion, which carried by unanimous vote, with no comments from the public.
